**CIRCULAR No. HR :67 /2021**

**Sub: Misuse of Medical Facilities**

The “Contributory Scheme for Post-Retirement Medical Facilities” (PRMS) provide medical treatment related benefits to retired employees and their dependents.

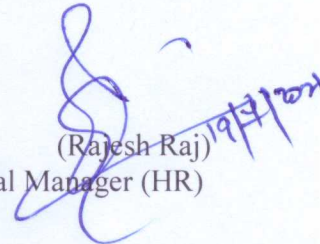

It has come to notice that some employees have claimed medical reimbursements through fraudulent means by submitting forged, manipulated or altered documents/bills. While action is being taken against the errant employees, all beneficiaries covered under the PRMS are advised to desist from such actions and exercise utmost caution while availing the benefits and submit only valid claims with genuine bills/receipts.

In this context, attention of all is also drawn to clause 7.2 (A) of the “Contributory Scheme for Post-Retirement Medical Facilities” which reads as under:

*“In case where medical claim submitted by the retired employees under the scheme is found, after investigation, to be forged, altered or manipulated with an intent to defraud the Corporation or cause financial loss, the concerned employee with his/her dependents may be debarred from the medical benefits available under the scheme for the rest of his/her life or for such term as may be decided by the CMD.”*

The above instructions are being issued for strict compliance. Any non-compliance of these instructions, shall be viewed very seriously, and action as warranted shall be taken against the errant employee.

This is issued with approval of the competent authority.
