**Report on the audit of the Standalone Financial Results**

**Opinion**

We have audited the accompanying standalone quarterly and year to date financial results of **REC Limited (Formerly Rural Electrification Corporation Limited)** (the company) for the quarter and year to date ended 31<sup>st</sup> March 2020 attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us these standalone financial results:

- i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India of the net profit and other comprehensive income and other financial information for the quarter ended and year to date ended 31<sup>st</sup> March 2020.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the*

*Standalone Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Emphasis of matter**

1. We draw attention to Note No. 3 to the financial results regarding, the provision of impairment allowance in respect of its loan assets and undisbursed Letters of Comfort based on the report provided by the credit rating agency appointed by the company in this regard. The basis of determination of impairment allowance, which we have relied upon, is arrived at by the agency, considering the parameters which involve certain technicalities and professional expertise.
2. We draw attention to Note No. 17 of the financial results regarding the impact of COVID-19 pandemic on the Company. Management is of the view that there are no reasons to believe that the pandemic will have any significant impact on the ability of the company to continue as a going concern. Nevertheless, the impact in sight of evolvement of pandemic in future period is uncertain and could impact the impairment allowance in future years.

Our opinion is not modified in respect of these matters.

**Management's Responsibilities for the Standalone Financial Results**

These quarterly financial results as well as the year to date standalone financial results have been prepared on the basis of the interim financial statements. The Company's management and Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the

accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The management and Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Results**

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on

the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### **Other Matters**

The audited standalone financial results of the Company for the quarter and year ended 31<sup>st</sup> March 2019 were audited by the then Statutory Auditors of the Company, both of whom were predecessor audit firms, and they had expressed an unmodified opinion vide their reports dated 24<sup>th</sup> May 2019 on such financial results.

Our opinion on the Statement is not modified in respect of above matter.

## **Auditor's Responsibilities for the Audit of the Consolidated Financial Results**

Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and jointly controlled entities to continue as a going concern. If we conclude that a

material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and jointly controlled entities to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated Financial Results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## Impact of Covid-19 Pandemic on the Company

The SARS-COV-2 virus responsible for Covid-19 continues to spread across the Globe including India, which has resulted in a significant decline and volatility in global and Indian financial markets. It has also caused a significant disruption in the Global and Indian economic activities. On 11 March 2020, the Covid-19 outbreak was declared a global pandemic by the World Health Organisation (WHO). The situation has been under close watch by the Company to take prompt actions for continuity of business operations in an optimised manner.

### Impact on Business Operations

Amidst the tumult of this unprecedented period, the Company had allowed the employees to "Work From Home" even before the announcement of national lockdown with priority to safeguard the health and well-being of our employees. The Company extensively leveraged the digital technology for review & monitoring, information-sharing and knowledge management. The strong Information Technology capability coupled with the availability of E-Office and ERP applications through secure Virtual Private Network (VPN) allowed the Company to continue the business operations without any significant disruptions due to lockdown. During the last fortnight of the year 2019-20, the Company disbursed loans amounting to Rs. 6,476 crores, while ending the year with disbursements of Rs. 75,667 crores.

### Impact on Lending Operations

The Govt. and various regulators have also introduced a variety of measures to contain the spread of virus and to mitigate the impacts of economic disruptions.

The Reserve Bank of India (RBI), in order to mitigate the burden of debt servicing brought about by disruptions of business activities, permitted Lending Institutions for rescheduling of payments in respect of term loans and Working Capital facilities vide Notification No. RBI/ 2019-20/186 DOR.No.BP.BC.47/21.04.048/2019-20 dated 27 March 2020 hereinafter refer to as "RBI Notification". In line with the RBI notification, the Company has put in place a board-approved policy framework according to which the borrowers can avail a maximum of three months moratorium on payment of principal and/or interest (including additional interest/ further interest/ charges, wherever applicable) on term loans falling due between 1 March 2020 and 31 May 2020. Such moratorium is eligible to the borrowers if the borrowers do not have any overdues as on 1 March, 2020 or if such overdues have been cleared subsequently upto 31st May 2020. The Company has already recovered more than 78% of the total recoveries of more than Rs. 9,500 crore due for March 2020. In accordance with the board approved policy, an amount of Rs. 5,172 crores has been deferred representing the amounts falling due between the moratorium period.

Further in line with RBI circular dated 17 April 2020, in case of the standard borrowers and to whom such moratorium has been granted, the period of such moratorium has been excluded from the number of 'Days Past Due' for the purpose of asset classification. However, had this relaxation benefit not been provided, only one borrower with loan outstanding of Rs. 23.37 crores would have otherwise been downgraded as Stage-3 asset.

### Availability of Funds from Diverse Sources

The Company has access to various sources for funding its operations including domestic institutional bonds as well as foreign currency bonds, which enhances the reach of the Company to obtain funds from various geographies including United States of America and Europe. Post 31<sup>st</sup> March 2020, the

Company has been able to raise more than Rs. 14,000 crores through domestic bonds and loans from banks & financial institutions. Further, the Company has also raised bonds and term loans amounting to USD 800 Million, amounting to Rs. 6,047 crores during the same period. This includes USD 500 Million raised through USD Bonds wherein REC became the first Indian company to successfully raise USD bonds during the Covid-19 pandemic on 12 May 2020.

Additionally, the Company has available limits of more than Rs. 7,000 crores towards long term loans and Rs. 5,000 crores towards Working Capital Loans from various banks. As such, the company has been able to mitigate any negative impact on its liquidity position, allowing the Company to sustain its lending operations without any material impact.

### **Covid-19 Relief Package for the Power Sector**

Majority of the Power Generation Companies had their power plants operational throughout the lockdown period with limited disruptions in early times of Lockdown. As per the guidelines by Central & State Governments issued from time to time, industries, offices and other commercial places representing major electricity consumers have started resuming their operations with limited capacity. This is steadily increasing the demand for electricity which suffered temporary dips during the lockdown period.

The Govt. of India, as a part of its Covid-19 relief package, has announced liquidity injection to the State discoms in the form of State Govt. guaranteed loans through REC and PFC to clear the outstanding dues of Power Generation and Transmission Companies. Further, the State Governments have been allowed additional borrowing limits from RBI, provided they provide a roadmap for several reform measures, which inter alia includes power sector reforms. The Govt. has also announced to release a tariff policy shortly laying out several reforms for the Power sector, including but not limited to privatisation of discoms in Union Territories etc.

In conjunction with the above cited actions taken by RBI and Government of India and REC's liquidity position and access to diverse sources of funds, at present, there are no reasons to believe that the current crisis will have any significant impact on the ability of the Company to maintain its operations. However, the extent to which the Covid-19 pandemic will impact the Company will depend on future developments, which are uncertain, including, among other things, any new information concerning the severity of the Covid-19 pandemic and any further action by the Govt. or the Company to contain its spread or mitigate its impact.
