

### INDEPENDENT AUDITORS' REPORT

To the Members of **M/s Luhri Power Transmission Limited Report on the Standalone IND AS Financial Statements**

#### Opinion

We have audited the Standalone Financial Statements of **M/s Luhri Power Transmission Limited** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), statement of changes in equity and statement of cash flows for the year then ended, and notes to financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies(Indian Accounting Standards) Rules 2015 as amended("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its Profit (including Other Comprehensive Income), changes in equity and its Cash Flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standard on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Statements.

### **Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other Comprehensive Income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Companies Act 2013, for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understating of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieve fair presentation.

Materiality is the magnitude of misstatements in the standalone Financial Statements that individually or in aggregate makes it probable that the economic decisions of a reasonable

knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) To evaluate the effect of an identified misstatements in the standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. Pursuant to the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the **Annexure "A"** a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. In terms of sub section (5) of section 143 of the Companies Act, 2013, we give in the **Annexure "B"** a statement on the directions issued under the aforesaid section by the Comptroller and Auditor General of India.
3. As required by Section 143 (3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and records.

- c. The Balance Sheet, the Statement of Profit and Loss,(including other comprehensive income), Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- d. In our opinion, the aforesaid standalone Financial Statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies(Accounts) Rules, 2014.
- e. Being a Subsidiary of a Government Company, Section 164(2) of the Act pertaining to disqualification of Directors are not applicable to the Company.
- f. With respect to the adequacy of the Internal Financial Controls over Financial Reporting of the Company and the Operating Effectiveness of such Controls, refer to our separate report in **Annexure "C"**.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company does not have any pending litigations which would impact its Financial Position;
  - ii. The Company did not have any Long-Term Contracts including Derivative Contracts for which there were any material foreseeable losses;
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

### Annexure - "A"

As referred to in our Independent Auditors' Report to the members of the **M/s Luhri Power Transmission Limited ('the Company')**, on the Financial Statements for the Year Ended 31<sup>st</sup> March 2023, we report that:

- (i) The Company has maintained records, showing full particulars including quantitative details and situation of Fixed Assets.
- (ii) The company does not hold any inventories as on 31.03.22 hence clause (ii) of paragraph 3 of the order is not applicable.
- (iii) The Company has not granted any Loans secured or unsecured to companies, firms or other parties Covered in the Register maintained under section 189 of the Companies Act, 2013.
- (iv) The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.
- (v) According to the information and explanations given to us, the Company has not given any loans, investments guarantees and securities. Accordingly clause 3(iv) of the Order is not applicable.
- (vi) The company has not accepted any deposits from Public and hence the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the act and the Companies (Acceptance of Deposits) Rules, 2015 with regard to the deposits accepted from the public are not applicable.
- (vii) There is no such Cost Records specified by Central Government u/s 148 of the Companies Act, 2013.
- (viii) (a) According to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues with appropriate authorities including Income Tax, Sales Tax, Service Tax, Duty of Custom, Duty of Excise, Value Added Tax, Cess and other statutory dues applicable to the Company and that there are no undisputed statutory dues outstanding as at 31<sup>st</sup> March, 2021 for a period of more than six months from the date they became payable.  
(b) Based on our audit and explanations given to us, there are no disputed dues of Duty of Customs or Duty of Excise of Sales Tax which have not been deposited.

(ix) According to the information and explanations given to us, the company has not taken any loan from any financial institution or bank or debenture holders, hence clause (viii) of paragraph 3 of the order is not applicable.

(x) The company has not raised Money by way of IPO & FPO including debt instruments. However, Loan from holding Company are applied for the purposes for which they are raised.

(xi) Based on our audit Procedures performed and the information and explanations given by the management, we report that no fraud by the company or on the company by its officers or employees has been noticed or reported during the year.

(xii) Based on our audit Procedures performed and the information and explanations given by the management, Managerial Remuneration & Other Payments relating to Staff are made from Holding Co. Hence clause (xi) of paragraph 3 of the order is Not Applicable.

(xiii) The company is not an Nidhi company as prescribed U / s 406 of the act. Accordingly clause(xii) of paragraph 3 of the order is not applicable.

(xiv) All transactions with the "Related Parties" in compliance with sections 177 and 188 of the Companies Act, 2013 are disclosed.

(xv) The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review.

(xvi) Based on our audit Procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him.

(xvii) The Co. is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 as the Co. is not a NBFC.

(xviii) There has been no resignation of the statutory auditors of the Company during the year.

(xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

Referred to in paragraph 3(f) under "Report on Other Legal and Regulatory Requirements' section of our report to the Members of **M/s Luhri Power Transmission Limited** of even date)

#### **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")**

We have audited the internal financial controls over financial reporting of **M/s Luhri Power Transmission Limited** (the "Company") as of **March 31, 2023** in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial control over financial reporting were operating effectively as at March 31, 2023 based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Notes on Audit of internal Financial Controls over financial Reporting issued by the ICAL

Return on Capital employed	-5,063.17	-4,563.17	1.11	NA	NA	NA	NA	

1. Current ratio - Numerator includes current assets and Denominator includes current liabilities
2. Debt equity ratio - Numerator includes Total Debt and Denominator includes shareholders equity
3. Return on Equity ratio - Numerator includes Net profit after taxes and Denominator includes average shareholders equity.
4. Trade receivable turnover ratio - Numerator includes Revenue from operations and Denominator includes average trade
5. Trade payable turnover ratio - Numerator includes Cost of services rendered and Denominator includes average trade payables.
6. Net capital turnover ratio - Numerator includes Revenue from operations and Denominator includes working capital.
7. Net profit ratio - Numerator includes profit after tax and Denominator includes Revenue from operations.
8. Return on capital employed - Numerator includes earning before interest and taxes and Denominator includes capital employed

**Reasons for variation more than 25%**

- (a) Current ratio is reduced due to decrease in Current Asset.
- (b) Return on equity ratio reduced due to increase in Loss.
- (c) Return on capital employed reduced due to increase in loss.

**18 Other notes to accounts**

- 18.1 As per the policy of Holding Company the invoice for the services provided is raised at the end of the financial year or on the date of the transfer of the SPV or on the receipt of advance/acquisition price, whichever is earlier.
- 18.2 There is no employee in the roll of the Company. Employees working for the Company are in the roll of the holding company i.e. RECPCDCL and ultimate holding company i.e. REC Limited. The employee expenses including contributions in respect of liabilities for employee benefit expense towards leave, provident fund, superannuation and all other benefits as applicable are accounted for by the holding company and ultimate holding company. Hence, disclosure requirements under Ind AS 19 is not applicable.
- 18.3 The code on social security 2020 (Code) relating to employee benefit during employment and post employment benefit received presidential assent in September 2020. The code has been published in the Gazette of India. However, the date on which the code will come in to effect has not been notified. However, there are no employees on roll of company.
- 18.4 The company is incorporated on 28.10.2022. This is the first year of the incorporation of company. Hence data related to previous year has not been given.
- 18.5 The Company is operating in a single segment and therefore disclosure requirements under Ind AS 108 is not applicable.
- 18.6 There has no transaction under section 248 of the companies Act, 2013 with struck off companies during the year.
- 18.7 The Companies does not have more than 2 layers as specified in sub rule (2) of companies (Restriction on number of layers) Rules, 2017.
- 18.8 The capital commitments, contingent liabilities and claims against the company not acknowledged as debt is Nil.
- 18.9 The company has no non material adjustment event after reporting period.
- 18.10 As per the provision of the companies Act, 2013, the figures have been rounded off to the nearest of Thousand and decimal thereof.
- 18.11 There are no foreign currency transactions during the year. Therefore no disclosures are required under Schedule III of the Companies Act, 2013.
- 18.12 The figures have been regrouped / rearranged / recast, wherever necessary, for better presentation to make them comparable.
- 18.13 Negative figures have been shown in bracket.

## **LUHRI POWER TRANSMISSION LIMITED**

Summary of Significant accounting policies & other information for the period ending 31st March 2023

(All amounts in Rupees Thousands, unless stated otherwise)

### **1. COMPANY OVERVIEW**

Luhri Power Transmission Limited ("the Company") was incorporated on 28.10.2022 at New Delhi. The Company is a wholly owned subsidiary of REC Power Development & Consultancy Limited. The Company is a special purpose vehicle incorporated for "Transmission system for evacuation of power from Luhri Stage-1 HEP". The Government of India has appointed RECPDCL as Bid Process Co-coordinator for selection of the developer for the project through tariff based competitive bidding process. On completion of the bid process, the successful bidder is to acquire one hundred percent (100%) of the equity shares of the company along with all its related assets and liabilities.

### **2. BASIS OF PREPERATION AND SIGNIFICANT ACCOUNTING POLICIES**

#### **2.1 Basis of preparation and measurement**

##### **(i) Statement of compliance with Indian Accounting Standards (Ind AS)**

The Company prepared its Standalone Financial Statements in accordance with the requirements of Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended). These Standalone Financial Statements comply with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended), applicable provisions of the Companies Act, 2013 and other applicable regulatory norms / guidelines.

The financial statements for the period ended 31st March, 2023 were authorized and approved by the Board of Directors on 8<sup>th</sup> May, 2023.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in accounting policy hitherto in use.

#### **2.2 Significant accounting policies**

##### **(i) Going concern and basis of measurement**

The financial statements have been prepared on a going concern basis under the historical cost convention on accrual basis except for certain financial assets and financial liabilities are measured at fair values at the end of each reporting period.

All assets and liabilities have been classified as current or non-current as per the criteria set out in the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

##### **(ii) Functional and presentation currency:**

These financials have been presented in Indian Rupees (INR), which is also the Company's functional currency, all amounts have been rounded off to the nearest thousands (upto two digits), unless otherwise indicated.

##### **(iii) Revenue recognition**

## LUHRI POWER TRANSMISSION LIMITED

Summary of Significant accounting policies & other information for the period ending 31st March 2023  
(All amounts in Rupees Thousands, unless stated otherwise)

Revenue is recognized (as per the five step model laid down under Ind AS 115) to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

### (iv) Property, Plant and Equipment

Property Plant and Equipment are carried at cost less accumulated amortization and impairment losses, if any. Cost includes all expenses, direct and indirect, specifically attributable to its acquisition and bringing it to its working condition for its intended use. Incidental expenditure pending allocation and attributable to the acquisition of fixed assets is allocated/capitalized with the related assets. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

### (v) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### Financial assets:

**Initial recognition and measurement** All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

#### Subsequent measurement

**Financial assets carried at amortized cost** – a financial asset is measured at the amortized cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in interest income in the Statement of Profit and Loss.

#### De-recognition of financial assets

Financial assets (or where applicable, a part of financial asset or part of a group of similar financial assets) are derecognized (i.e. removed from the Company's balance sheet) when the contractual rights to receive the cash flows from the financial asset have expired, or when the financial asset and substantially all the risks and rewards are transferred. Further, if the Company has not retained control, it shall also derecognize the financial asset and recognize separately as assets or liabilities any rights and obligations created or assumed in the transfer.

#### Impairment of financial assets

## **LUHRI POWER TRANSMISSION LIMITED**

**Summary of Significant accounting policies & other information for the period ending 31st March 2023**

**(All amounts in Rupees Thousands, unless stated otherwise)**

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure: a) Financial assets that are debt instruments, and are measured at amortized cost e.g., loans, debt securities, deposits, trade receivables and bank balance b) Financial guarantee contracts which are not measured at Fair value through profit & loss account. (FVTPL).

### **Financial liabilities:**

#### **Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including financial guarantee contracts and derivative financial instruments.

#### **Subsequent measurement**

Subsequent to initial recognition, financial liabilities are measured at amortized cost using the effective interest method.

#### **De-recognition**

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

#### **Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

#### **(vi) Fair value measurement**

The Company measures financial instruments at fair value which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

## LUHRI POWER TRANSMISSION LIMITED

Summary of Significant accounting policies & other information for the period ending 31st March 2023  
(All amounts in Rupees Thousands, unless stated otherwise)

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities;

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable; and

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. For assets and liabilities that are recognized in the balance sheet on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

### (vii) Taxation

Tax expense recognized in profit or loss comprises the sum of deferred tax and current tax. It is recognized in Statement of Profit and Loss, except when it relates to an item that is recognized in Other comprehensive income (OCI) or directly in equity, in which case, the tax is also recognized in Other comprehensive income or directly in equity.

Current tax is determined as the tax payable in respect of taxable income for the year, using tax rates enacted or substantively enacted and as applicable at the reporting date, and any adjustments to tax payable in respect of previous years.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable income. Deferred tax on temporary differences associated with investments in subsidiaries and joint ventures is not provided if reversal of these temporary differences can be controlled by the Company and it is probable that reversal will not occur in the foreseeable future.

Deferred tax assets and liabilities are calculated, without discounting, at tax rates that are expected to apply to their respective period of realization, provided those rates are enacted or substantively enacted by the end of the reporting period. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority.

Deferred tax liability is recognized for all taxable temporary differences. A deferred tax asset is recognized for all deductible temporary differences to the extent that it is probable that future taxable profits will be available against which the deductible temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Changes in deferred tax assets or liabilities are recognized as a component of tax income or expense in profit or loss, except where they relate to items that are recognized in other comprehensive income or directly in equity, in which case the related deferred tax is also recognized in other comprehensive income or equity, respectively.

## **LUHRI POWER TRANSMISSION LIMITED**

**Summary of Significant accounting policies & other information for the period ending 31st March 2023**  
(All amounts in Rupees Thousands, unless stated otherwise)

### **(viii) Provisions, Contingent Liabilities, and Contingent Assets**

Provisions are recognized when the Company has a present legal or constructive obligation as a result of a past event; it is probable that an outflow of economic resources will be required from the Company and amounts can be estimated reliably. Timing or amount of the outflow may still be uncertain. Provisions are measured at the estimated expenditure required to settle the present obligation, based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation. Provisions are discounted to their present values, where the time value of money is material.

A contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

In those cases, where the outflow of economic resources as a result of present obligations is considered improbable or remote, no liability is recognized or disclosure is made.

Any reimbursement that the Company can be virtually certain to collect from a third party concerning the obligation (such as from insurance) is recognized as a separate asset. However, this asset may not exceed the amount of the related provision.

Contingent assets are not recognized. However, when the inflow of economic benefits is probable, the related asset is disclosed.

### **(ix) Earnings per share**

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

To calculate diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

### **(x) Cash and cash equivalents**

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

### **(xi) Impairment of assets**

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets or cash generating units to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate

## **LUHRI POWER TRANSMISSION LIMITED**

**Summary of Significant accounting policies & other information for the period ending 31st March 2023**  
**(All amounts in Rupees Thousands, unless stated otherwise)**

assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash generating units for which a reasonable and consistent allocation basis can be identified.

### **(xii) Borrowing costs**

Borrowing costs that are directly attributable to the acquisition and/ or construction of a qualifying asset, till the time such a qualifying asset becomes ready for its intended use sale, are capitalized. Borrowing costs consist of interest and other costs that the Company incurred in connection with the borrowing of funds. A qualifying asset is one that necessarily takes a substantial period to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss on an accrual basis as per the effective interest rate method.

### **(xiii) Material prior period errors**

Material prior period errors are corrected retrospectively by restating the comparative amounts for the prior periods presented in which the error occurred. If the error occurred before the earliest period presented, the opening balances of assets, liabilities and equity for the earliest period presented, are restated.

### **(xiv) Rates and taxes**

Overseas taxes on foreign assignments, indirect taxes, including Goods & Service Tax, professional tax, property tax, entry tax, labour cess, octroi and any other applicable taxes etc. paid/accrued in India or abroad for which credit are not available to the company are charged to the Statement of Profit and Loss.

### **(xv) Expenditure incurred by Holding Company**

All the direct expenses incurred by holding company for SPV has been booked to the SPV as per invoicing done by the holding company. All Indirect / Common Expenses are allocated and invoiced to SPV on the proportionate basis from the month of issue of RFQ / RFP (If RFQ stage is not adopted in the Bidding Process) or incorporation of SPV, whichever is earlier, till the month in which tenth day from the date of issue of Letter of Intent (LOI) for the transfer of the SPV falls. Part of the month, if any, is considered as full month for cost allocation. The holding company charges interest on the funds deployed by it based on the REC interest rate circular for T & D loans for ungraded organizations, as on the beginning of the period. If bid process activity relating to any SPV is kept in abeyance, due to any reason, no cost allocation for such period of abeyance is made to such SPV and no interest is charged. For direct expenses, interest is charged from the month in which the expenditure is incurred whereas for indirect expenses interest is charged for the average period of deployment of funds. Such interest is calculated on monthly basis but recognized at the end of the period.

Expenditure incurred for the SPV by Holding Company on behalf of the Company is considered as "other financial liabilities" (Current). Also, interest is charged on such expenditure incurred by Holding Company and such interest is also included in other financial liabilities.

The major stages of TBCB (Tariff Based Competitive Bidding) process done by holding co. RECPDCL includes issue of RFP (Request for proposal) documents, Pre Bid Meeting, opening of technical bid, shortlisting of qualified bidders, opening of financial bid and e – Reverse auction for qualified bidders, final selection of successful bidder and issue of LOI to successful bidder. The certainty on the construction of the project arises only after the issuance

## **LUHRI POWER TRANSMISSION LIMITED**

### **Summary of Significant accounting policies & other information for the period ending 31st March 2023**

**(All amounts in Rupees Thousands, unless stated otherwise)**

of LOI and transfer of SPV to the successful bidder. Hence expenditure incurred from incorporation till transfer of SPV to the successful bidder is charged to the Statement of Profit and Loss.

Further, wherever, payments relating to the Company are made by the Holding Company and the ultimate Holding Company, procedural and statutory requirements with regard to deduction of Tax at Source and deposit thereof as applicable are also complied with by the Holding Company and the ultimate Holding Company against payments released on their account.

### **2.3 Significant management judgment in applying accounting policies and estimation of uncertainty**

The preparation of the Company's financial statements requires management to make judgment's, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Such estimates & assumptions are based on management evaluation of relevant facts & circumstances as on date of financial statements. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period; they are recognised in the period of the revision and future periods if the revision affects both current and future periods.

### **3. Significant estimates and judgment's**

The preparation of the Company's financial statements requires management to make judgments, estimates, and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures. Actual results may differ from these estimates.

#### ***Significant management judgments***

**Recognition of deferred tax assets/ liability** – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

**Evaluation of indicators for impairment of assets** – The evaluation of the applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

#### ***Significant estimates***

**Useful lives of depreciable/amortizable assets** – Management reviews its estimate of the useful lives of depreciable/amortizable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

**LUHRI POWER TRANSMISSION LIMITED**

**Summary of Significant accounting policies & other information for the period ending 31st March 2023**  
(All amounts in Rupees Thousands, unless stated otherwise)

**Fair value measurements** – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument. In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. In case of non-availability of market-observable data, Level 2 & Level 3 hierarchy is used for fair valuation.

**Income Taxes** – Significant estimates are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions and also in respect of expected future profitability to assess deferred tax asset.
